DEPARTMENT Elections
ACCOUNT ORGANIZATION 101 - 5144

MISSION:
To serve the Village's voters by administering elections that are fair, open, and secure. Guided by Wisconsin laws, our mission is to gain public confidence and ensure that the rights of our voters are protected.

2027 GOALS:
Be prepared for new laws or standards to ensure operational readiness. Transparency remains a top priority and the goal is to provide clear and timely information to the public. We continually look at ways to improve our operations related to polling place readiness, voter wait times, and backup plans for inclement weather, power failures, etc.

MAJOR PROGRAM/COST CHANGES:
With the likelihood of 2 elections in 2027, our budget is less than it was in 2026 when we had 3. Because election laws require municipalities to cover the costs of mailing absentee ballots and it is difficult to forecast the number of absentee voters, we will keep postage and supply costs the same as prior years.

PERSONNEL CHANGES/JUSTIFICATION:
None.

2026 ACHIEVEMENTS:
Successfully administered all phases of the election cycle and added new Chief Inspectors to our team.

CAPITAL OUTLAY:
Addition of one electronic poll book (Badger Book).

CATEGORY General Government
DEPARTMENT Emergency Medical Response
ACCOUNT ORGANIZATION 101 - 5230

MISSION:
To provide an emergency medical response service and respond to life-threatening medical situations in the Village by members who are trained or licensed as emergency medical responders by the State of Wisconsin.

2027 GOALS:
Improve the EMR service by providing continuing education to current members. Grow the EMS membership by at least 2-4 members. Current active staff is ten (10). Strategy has been to achieve an active staff of 10-12 and our goal is to grow this to 12-14.

MAJOR PROGRAM/COST CHANGES:
The call volume has been growing and the cost of supplies and equipping two additional personnel.

PERSONNEL CHANGES/JUSTIFICATION:
Staffing availability and high call volume is driving the continued consideration of additional personnel.

2026 ACHIEVEMENTS:
Provided Emergency Medical Service to the Village of Kimberly and had multiple life saving responses, including delivering a baby.

CAPITAL OUTLAY:
None.

2027 BUDGET GOAL

CATEGORY General Government
DEPARTMENT Parks
ACCOUNT ORGANIZATION 101 - 5520

MISSION:
The Village of Kimberly Parks Department strives to offer a variety of well maintained passive and active public spaces throughout the village including over 106 acres of park land. Parks and greenspaces offer a special opportunity to increase quality of life regardless of age, ability, or financial means.

2027 GOALS:
Continued evaluation of our public spaces to ensure we are able to achieve the goal of “well-maintained”. Shifting focus as needed from wood chipped landscaped areas which are high maintenance into native low-grow plantings or in some cases conversion to grass. Phased implementation of the 2026 Facilities Analysis for Sunset Park guiding maintenance decisions.

MAJOR PROGRAM/COST CHANGES:
Donations continue to provide essential positive impact to Kimberly Parks. Bench donations: Treaty, Sunset, Centennial, and Papermill Run Trail. Bike Rack donations: Memorial and Sunset Parks. Bike repair station: Papermill Run Trail. Tree donations: Sunset and Verhagen Parks.

PERSONNEL CHANGES/JUSTIFICATION:
Continue the 2026 staffing plan into 2027 with strategic placement of seasonal support staff.

2026 ACHIEVEMENTS:
Targeted concrete work was completed including improvement to footbridge ramps reducing trip hazards. Roosevelt Park score booth received paint and a new countertop. Roosevelt and Centennial playgrounds received new woodchip fall surfacing. Liberty playground received targeted parts replacements to increase safety as the structure ages. Select Treaty Park landscaping items were relocated to increase bike/ped visibility. Vandalism response: The Amphitheater was repainted, Treaty Park plaza space was restored using graffiti remover on the paved surfaces, the Sunset Park baseball diamond bathroom and utility doors were repainted, Liberty Park playground was scrubbed. Finally,the mobile watering unit was heavily utilized in cleaning and watering operations during its inaugural year in response to drought and goose messes.

CAPITAL OUTLAY:
The completion of the 2026 Project, Sunset Park Master Plan, will spur conversation around phased future improvements in Sunset Park. 2027 Capital Improvement Projects include replacement of "Big Red" the 2017 Groundsmaster 4000 - #16 on the Village's equipment list. Additionally, the Stonegate Park playground is scheduled for replacement - both the playground as the swing structures. To be replaced with updated equipment with an engineered wood fiber play surface surrounded by a concrete curb to more efficiently prevent turf encroachment into the fall zones.

DEPARTMENT Recreation
ACCOUNT ORGANIZATION 101 - 5530

MISSION:
Recreation is of vital importance to quality of life, and the Kimberly Park & Recreation Department offers a variety of programs, activities and events, in addition to supporting those offered by organizations in the community, to meet the needs of our citizens.

2027 GOALS:
Continue mission acheivement through program facilitation offered by subcontractors and Village recreation staff with continual analysis on program successes and growth areas.

MAJOR PROGRAM/COST CHANGES:
Introduction of the Cedars Historic Overlook has provided several additional opportunities to offer recreation classes year-round with additional space for canvas painting, babysitting, and Youth Enrichment League programming. Previous space inventory prior to the overlook coming online limited several programs due to lack of space to hold the program in.

PERSONNEL CHANGES/JUSTIFICATION:
None.

2026 ACHIEVEMENTS:
New programs introduced with success: Daddy Daughter Dance, Tetra Brazil Soccer Camp, a variety of Youth Enrichment League STEAM programs, and Pickleball for Kids. New recreation baseball league jersey vendor was met with positive response in overall cost savings, and increase in overall quality.

DEPARTMENT Holiday Display
ACCOUNT ORGANIZATION 101 - 5531

MISSION:
To provide visually appealing displays for holidays when appropriate including Christmas at the Pond, seasonal banner displays, and the holiday lights along Kimberly Avenue and maintain the quality of these displays. To fund the utility costs associated with these displays and lighting throughout the year.

2027 GOALS:
Continue to phase in fresh banners for display on Kimberly Avenue as seasonal banners begin to show wear and tear from wind and sun exposure.

MAJOR PROGRAM/COST CHANGES:
The Kimberly Parks Department continues to encourage local businesses to sponsor displays within Memorial Park to assist in stretching the lighting budget and maximizing the display.

PERSONNEL CHANGES/JUSTIFICATION:
None.

2026 ACHIEVEMENTS:
Achieved the mission. Current avenue display schedule includes spring, summer, and fall themed banners, winter lights, and the utility costs assocaited with those lights. Christmas at the Pond display achieved with November 29th lighting event with automatic continued park lighting throughout the remainder of 2026 in Memorial Park.

DEPARTMENT Sunset Beach
ACCOUNT ORGANIZATION 101 - 5542

MISSION:
The Sunset Beach Swimming Facility is established to provide quality aquatics opportunities to all that utilize the facility. The uniqueness of the sand beach, zero depth entry, diving well with water slide, shade structure, splash pad, and spacious play area makes this an excellent attraction for recreational swimmers and swimming instruction participants.

2027 GOALS:
Maintain a clean and safe facility with full staffing levels for every open day of the 2027 swim season. Grow swimming lesson program registration numbers and strengthen curriculum based on staff lessons learned in the 2026 season.

MAJOR PROGRAM/COST CHANGES:
Implementation of seasonal wage scale adjustments as a result of the 2026 Wage and Compensation Study. Reduction of overall budget allocated to water at the beach based on operating averages using 2025 & 2026 as case studies. Lifeguard staff requiring initial lifeguard certification or a certification renewal as well as swimsuit reimbursement at $50/lifeguard continue to rise in costs.

PERSONNEL CHANGES/JUSTIFICATION:
2026 provided the first operating season after the Papermaker Pond project and Beach footprint reduction. Upon evaluation, no staffing reductions will be made at this time despite reconfiguring the beach - the swimming footprint has not been reduced.

2026 ACHIEVEMENTS:
Implemented 5G Business MiFi internet service with voice over IP phone system resulting in significant cost savings and better customer service capabilities. New adirondak beach chairs were well received by patrons, constructed of composite lumber they will last for seasons to come. Dippin' Dots ice cream was implemented in the concessions area with postive response. Additional staff training in partnership with VOK EMR group was well received by beach staff and EMR staff. The new kiddie slide was also well received.

CAPITAL OUTLAY:
No projected capital outlay impacts in 2027.

2027 BUDGET GOAL

CATEGORY General Government
DEPARTMENT Health Insurance (Annuit/Personnel)
ACCOUNT ORGANIZATION 101 - 6912

MISSION:
To provide retirement benefits and health insurance coverage for retirees per the contractual agreements and Village of Kimberly Personnel Policy Manual.

2027 GOALS:
Achieve Mission.

MAJOR PROGRAM/COST CHANGES:
In 2027 there will be one annuitant covered by the Village of Kimberly. Excess monies remaining in this account each year would transfer to the Personnel Trust Fund. The Personnel Trust Fund serves as future funding sources for this account. A maximum budget amount of $230,000 in 2015 occured, with a planned reduction of $10,000/year. The actuarial valuation model was updated with the current year end fund balances and increased assumed healthcare costs from 5% to 10% annually. There is an assumption of 1.5% annual interest. Reducing the annual contribution to $5,000 down to $0 over the next 7 years (2025-2031) fully funds assumed obligations through 2038 when the final annuitant ages out.

PERSONNEL CHANGES/JUSTIFICATION:
None.

Transportation Utility

VILLAGE OF KIMBERLY
2027 BUDGET GOAL

CATEGORY Transportation Utility
DEPARTMENT Infrastructure Expenses
ACCOUNT ORGANIZATION 401

MISSION:
The Transportation Utility funds the reconstruction and maintenance of streets and sidewalks within the Village of Kimberly. The utility generates revenues to pay for the maintenance and transporation services. The implementation of a Transportation Assessment Reduction Fee (TARF) generates funds to replace the Village's previous Special Assessment Policy for reconstruction of transporation infrastructure. Transportation Road Aid, General Fund Contributions and Shared Revenue also funds the projects within the Transportation Utility.

2027 GOALS:
Complete planned public infrastructure projects (see list of projects under Capital Outlay).

MAJOR PROGRAM/COST CHANGES:
There are no grant awards for the fiscal year 2027 projects. Grant awards appear later in the Capital Improvement Plan.

PERSONNEL CHANGES/JUSTIFICATION:
None.

2026 ACHIEVEMENTS:
Completed mastic patching and pavement repairs along Kennedy Avenue. Completed Schindler Drive/Fulcer Ave and Alley (Pine/Walnut). Completed $35,000 of sidewalk repairs and replacements. Continued the sidewalk saw cutting program.

CAPITAL OUTLAY:
Maintenance and Repairs/Annual Sidewalk Replacement /Saw Cutting Programs.
Street Lighting LED Conversion.

2027 BUDGET GOAL

CATEGORY General Government
DEPARTMENT Library
ACCOUNT ORGANIZATION 501 - 5511

MISSION:
The Mission of the Kimberly Public Library is "Bringing people together to inspire a love of reading and life-long learning."

2027 GOALS:
1. Continued growth for pre-teen/ teen programming, services, and engagement, as it aligns with an update strategic planning process to be conducted in 2027.
2. Engage library users in community engagement and life-long learning experiences that teach critical thinking skills, expand perspectives, and emphasize empathy through the expansion of podcasting and related education and programming that extends the invitation to public to make use of the library's grant-funded podcast studio.
3. Lead a capital campaign to raise funds to replace outdated library furnishings.

MAJOR PROGRAM/COST CHANGES:
Increase in county funding reimbursement for use; One FT staff increased from opt-out to Family Insurance mid-year in 2026 and that cost carries through to 2027; budget for potential Family Insurance election by PT staff that qualify.

PERSONNEL CHANGES/JUSTIFICATION:
No major staffing adjustments.

2026 ACHIEVEMENTS:
Kimberly Public Library has estalished itself as one of the highest circulating libraries in the InfoSoup consortium, second only to Appleton Public Library, with much of our circulation to residents of neighboring communities choosing to pick up holds at the Kimberly Library location. We also offer a robust selection of engaging and entertaining library programs free to families and community members. The library is a central gathering place for people throughout the Heart of the Valley area. Friends of the Library increased their annual donation to fund the library's summer reading program from $7,000 to $10,000 to demonstrate support of enhanced services to tweens and teens. The library was awarded a number of grants that resulted in the circulation of a new educational toys collection and VOX books for youth, the creation of a communtiy podcast studio, and funding to supplement the purchase of smart lockers to extend library service hours by introducing 24-hour library holds pickups. We successfully completed a year-long Sister Library partnership with Chugthai Library in Lahore, Pakistan, where Director Selwitschka is visiting on her own time to present about Wisconsin libraries and cultures in September 2026.

CAPITAL OUTLAY:
Consider replacement of a self check machine from the operating budget. Consider purchase of Smart Lockers using grant funding as a supplemental source of income with approximately $10,000 being drawn from Library Trust Funds. Consider replacement of old furnishings paid by the efforts of a capital campaign to be managed in coordination with the Friends of Kimberly Library.

Water Utility

VILLAGE OF KIMBERLY
2027 BUDGET GOAL

CATEGORY General Government
DEPARTMENT Water Department
ACCOUNT ORGANIZATION 601

MISSION:
To safeguard public health and quality of life in the Village of Kimberly by delivering safe, reliable drinking water through sound operations, full regulatory compliance, and responsible stewardship of the Utility's water system and resources.
The Utility enters this budget cycle facing rising treatment costs, growing regulatory workload, and increasing system demand that together place measurable pressure on operations, maintenance scheduling, and staff.
•Rising treatment costs. The Utility is converting well disinfection from gas chlorine to sodium hypochlorite at Wells 1, 2, and 3, and softener salt costs are rising by roughly 16%, increasing the baseline cost of producing and delivering every gallon of water.
•Growing system demand. Recent population growth is increasing the Utility's required distribution bacteriological sampling from 7 to 9 samples per month.
Changes to federal and state drinking water rules represent a significant and growing workload for the Utility. Wisconsin's revised NR 809 carries forward the federal Lead and Copper Rule Revisions (LCRR) requirements for service line inventories and consumer notification.
The next phase, the EPA Lead and Copper Rule Improvements (LCRI) as adopted by the Wisconsin DNR, carries a compliance date of November 1, 2027. Preparation work must be completed in advance of that date and will draw directly on operator and administrative time in 2027. Key requirements include:
•A lowered lead action level of 10 µg/L, requiring evaluation and possible adjustment of corrosion control treatment.
•Revised lead and copper tap sampling procedures, including how the sampling pool is identified and how samples are collected.
•Ongoing service line inventory updates, with field verification required to resolve any remaining unknown service lines.
•A mandatory replacement program for lead and galvanized service lines requiring replacement, generally within ten years.
•Expanded public education, outreach, and customer notification obligations.
•Lead testing at schools and licensed and certified child care facilities served by the Utility.
Meeting these requirements will require staff time for inventory verification and recordkeeping, potential engineering and corrosion control study costs, revised sampling and reporting procedures, customer notification materials, and continued development of the service line replacement plan. This work runs concurrently with, and competes for the same personnel as, the Utility's day-to-day treatment and maintenance obligations.

2027 GOALS:

1.Complete scheduled tasks on time.
2.Complete over 300 meter changes including cellular endpoint conversions.
3.100% Compliant with all DNR/EPA reporting and sampling requirements.
4.Develop program to replace all private and public lead services in the next ten years.
5.Deploy an extensive leak detection program, with goal of being below 10% unaccounted water loss.
6.Remove and replace all lead services, both private and public, if State/Federal funding is approved in late 2026.
7.Analyze and improve efficiency of the (9) softener vessels.

MAJOR PROGRAM/COST CHANGES:

1.Conversion from gas chlorine to sodium hypochlorite disinfection at Wells 1, 2, and 3 (approximately 16% increase in softener salt costs).
2.Increase in required bacteriological sampling due to population growth.

PERSONNEL CHANGES/JUSTIFICATION:

2027 is the final year of a three-year phase-in adding 0.5 FTE to the MCO labor allocation supporting Kimberly water operations, reflected as a 10.4% labor increase across operating divisions, with CPI adjustment applied going forward.

2026 ACHIEVEMENTS:

1.Maintained the Utility's record of zero significant or non-significant DNR sanitary survey deficiencies.
2.No detectable PFAS compounds in system water quality sampling.
3.100% of all Public lead service line inventory completed.
4.Obtained Village and Commission approval to change CCT.

Tax Incremental Finance District #6

VILLAGE OF KIMBERLY
2027 BUDGET GOAL

CATEGORY	Tax Incremental Finance District
DEPARTMENT	TID 6
ACCOUNT ORGANIZATION	702

MISSION:
TID 6 was created in 2016 to eliminate blight, develop public infrastructure and offer incentives for the development of the property formerly known as the Kimberly Mill Site. As of January 1, 2025 the Village has seen $164 million in new increment with millions more anticipated through the completion of the remaining developable area. The Village Board, Staff and Plan Commission remain committed to creating developments that are in concert with the 2013 Cedars Redevelopment visioning sessions and opening public access to the riverfront. The Statutory Closing of the district is 2043.

2027 GOALS:
Complete remaining District infrastructure improvements - limited concrete work, street lighting, sidewalk, terrace plantings. Reinvigorate existing development agreements to see the completion of development and market those remaining sites. Market the redevelopment of the former Specialty Mineral space and the main mill development opportunity.

MAJOR PROGRAM/COST CHANGES:
None.

PERSONNEL CHANGES/JUSTIFICATION:
None.

2026 ACHIEVEMENTS:
Amended the Blues Development Agreement into singlfe family home developments and riverfront apartment concepts. Completed the approval process for the remaining Planned Unit Development within Rivers Edge. Completed the construction of the Kimberly Avenue public parking lot. Completed the remaining trail segment for complete connection of the Village's trail system through the development area.

CAPITAL OUTLAY:
Treaty Park Bathroom - 2027

Future Concrete Paving Papermill Run

Future Street Lighting, Sidewalk and Terrace Plantings in remaining corridors

AMENDMENT TO THE
AGREEMENT FOR ENHANCED
COUNTY LAW ENFORCEMENT SERVICES IN
THE VILLAGE OF KIMBERLY

THIS AMENDMENT TO THE AGREEMENT FOR ENHANCED COUNTY LAW ENFORCEMENT SERVICES is dated as the 9th day of November 2026, by and between OUTAGAMIE COUNTY, a municipal corporation ("County") and the VILLAGE OF KIMBERLY, a municipal corporation, by its Village Board of Trustees ("Village").

The purpose of this Amended Agreement is to amend and supersede the Agreement for Enhanced County Law Enforcement Services between the County and the Village dated October 27, 2025. The purpose of such Amendment is to:

- Memorialize the contract end date to be December 31, 2056;
- Memorialize the total cost of providing law enforcement services in the Village for the calendar year 2025.
- Estimate the total cost the Village will pay the County to perform enhanced law enforcement services for the entire term of the contract.
- State the allocation of Innovation Grant monies, if received;
- Memorialize the Village and County commitment to maintain an appropriate level of enhanced law enforcement services in the Village through the term of the contract.

WHEREAS, the parties executed the Agreement for Enhanced County Law Enforcement Services dated October 27, 2025; and

WHEREAS, the Village of Kimberly and Outagamie County desire to apply for the Wisconsin Innovation Grant Program, created under 2023 WI Act 12 and updated under 2025 WI Act 15; and

WHEREAS, the parties desire to amend the Agreement as set forth herein.

NOW, THEREFORE, THE PARTIES HERETO AGREE TO AMEND THE AGREEMENT AS FOLLOWS:

6. Term and Termination: The original agreement commenced on January 1, 2026, with signature by both parties on October 27, 2025 and shall renew automatically each year on the same date for successive one (1) year terms, continuing for a maximum term of thirty (30) years from the effective date, absent the notice provisions set forth in sub paragraph (b). In the event either party wishes to terminate the agreement they may do so only under the following circumstances:

a. Material Breach of the terms of the agreement after provision of notice to the other party and a 30 day opportunity to cure said breach. The non breaching party retains the right to reject the breaching parties attempt to cure if said material breach has been previously noticed and subsequently cured by the breaching party on at least one prior occasion.

b. Either party may terminate this agreement for any reason or no reason and without material breach by providing notice at least 180 days in advance of the automatic renewal date, but this method of termination shall not occur until after three (3) years from the commencement date of this Agreement, which will be after October 27, 2029. Any termination not meeting this notice requirement shall be considered a material breach.

19. Innovation Grant Application Documentation:

a. In 2025, the cost to provide law enforcement services to the Village of Kimberly by the Village was $1,659,464.00.

b. In 2025, the estimated cost to provide law enforcement services to the Outagamie County by the County was $28,042,419.00.

c. The estimated amount the Village will pay to the County for the length of the agreement is $75,000,650.00.

d. The Village and County desire to apply for the State of Wisconsin Innovation Grant, created under 2023 WI Act 12 and updated under 2025 WI Act 15. The grant program is designed to provide funds to counties, municipalities, and tribes that implement an innovation plan to completely transfer one or more of allowable service to another county, municipality, tribe, nonprofit organization or private entity.
    a. Under the grant, the parties agree to a grant money allocation of 50% Village, 50% County.
    b. Further, the parties commit to maintain an appropriate level of enhanced law enforcement services in the Village through the term of the contract.

All remaining portions of the Agreement not affected by this Amendment remain in full force and effect.

Mailbox Restoration Policy

1. RECORD OF REVISIONS

- **Effective Date:**
- **Review Cycle:** As-Needed
- **Key Updates:** Establishes eligibility requirements and procedures for reimbursement of mailbox damage caused by Village equipment.

2. PURPOSE

The Village of Kimberly recognizes that mailboxes may be damaged during Village operations, in particular winter snow removal operations. This policy establishes guidelines for reimbursing residents for eligible mailbox damage caused by Village equipment.

Proper mailbox placement is essential for Village crews as well as the Post Office. Snowplows, street sweepers and garbage trucks can damage mailboxes that extend over the road.

3. ELIGIBLE DAMAGE

The Village may reimburse residents for damage to a properly installed and USPS approved mailbox when the damage is directly caused by physical contact with Village equipment.

Mailboxes shall be positioned at a height of 41”-45” from the road surface to the bottom of the mailbox or point of mail entry and set back 6”-8” from the front face of the curb or road edge to the mailbox door. Where there is no curb, the height of the mailbox should be 48” from the top of the ground to the bottom of the mailbox.

A mailbox with the Postmaster General’s (PMG) seal of approval meets USPS size and construction standards. If a mailbox is custom built or a purchased custom-made one, it must meet the PMG standards. Written approval from the local postmaster must be provided illustrating the PMG’s approval.

4. MAXIMUM REIMBURSEMENT

Reimbursement shall not exceed $125 per mailbox. Reimbursement is limited to the actual cost of repair or replacement, up to the maximum amount of $125.

5. INELIGIBLE CLAIMS

The Village will not reimburse for mailbox damage under the following circumstances:

- The mailbox was not properly installed per United States Post Office standards. See attached exhibit.
- The mailbox type was not USPS PMG approved.

DRAFT

- The damage was not caused by direct physical contact with Village equipment.
- During snow season, the mailbox was damaged by the weight or force of snow being pushed or deposited during snow removal operations.

6. CLAIM SUBMISSION AND INSPECTION

Residents seeking reimbursement must complete and submit the Village's Claim Form.

After receiving the form, a Village Public Works employee will visit the property to inspect the damaged mailbox and determine whether the damage meets the eligibility requirements of this policy. Residents should leave the damaged mailbox in place and avoid making repairs or replacing it until the inspection is completed, unless immediate action is necessary for safety or access.

7. CLAIM DETERMINATION

Following the inspection, the Village will determine whether the claim qualifies for reimbursement under this policy. Submission of a claim does not guarantee reimbursement. Approved reimbursement will be limited to the actual eligible repair or replacement cost, up to $125. If approved, all receipts will need to be submitted. Reimbursement will not be provided for tools.

8. ADMINISTRATION

The Department of Public Works shall administer this policy and review claims in accordance with the guidelines outlined above.
