Support the Amphitheater

Do you love the arts and want to support your community? If so, you should support Kimberly Amphitheater, Inc., a 501c3 non-profit organization that maintains the Sunset Park Amphitheater, a cultural arts facility for the Fox Cities. Our volunteer board of directors work hard to organize and host various events, such as concerts, plays, festivals, and workshops, which showcase local talent and enrich the lives of area youth and adults. Leave your mark by showing your support through the purchase of a personalized brick. Your donated purchase of a sponsored brick will help us continue our mission and make a positive impact in our region. Visit our website or follow us on social media to learn more about our upcoming events and how you can get involved. Thank you for your interest and support.
