The Village of Kimberly Parks and Recreation Department is searching for enthusiastic and responsible seasonal employees to join our team for the summer! Seasonal positions with Kimberly Parks and Rec are a great fit for students looking for summer employment with flexible scheduling and opportunity for advancement each summer. Additionally, seasonal laborer positions are a great opportunity for students, retirees, or professionals with summers off to work outside in the summer with evenings off!

The Village of Kimberly maintains over 110 acres of park and public space lands to include 12 parks throughout the village with a variety of public amenities including Sunset Beach Swim Facility and 5 baseball/softball diamonds hosting hundreds of tournaments, games, programs, and practices each summer. The recreation department typically hosts well over 1,400 program participants annually in a variety of programming from baseball to art classes and everything in between. The street department operates weekly collection including brush and metal pick up as well as monthly collection of bulk items and a full-service forestry crew as well as concrete work, sewer work, street painting, sign maintenance, and more!

Please take a moment to learn more about the positions we have available for summer before applying. We look forward to seeing your application which can be located on our employment opportunities webpage here:
