This permit approval is subject to the following conditions: 1. Permittee is responsible to obtain any further permits that may be required for this project. 2. Permittee shall install the proposed facilities as shown on the plan(s) that were submitted to the Village of Kimberly. 3. The field representative shall have a copy of the approved permit on-site at all times including traffic control plan. 4. Any facilities installed as part of this permit shall be installed at least 5 feet from all existing village facilities. 5. This permit is subject to IMMEDIATE REVOCATION and/or issuance of a MUNICIPAL CITATION if conditions of the permit are not met. 6. This permit is subject to IMMEDIATE REVOCATION if unfavorable traffic conditions develop during the period the obstruction is permitted. 7. Pot holing will be required for any facility that will cross a 12" or larger water main or where deemed necessary by engineer/inspector. This permit is issued to the applicant upon payment of the permit fee and is expressly limited to the location and type described herein. The applicant, in exchange for receiving this permit, warrants that all street excavations shall be performed in conformity to Village ordinance, standards and specifications, be properly barricaded and lighted, and be performed in a workmanlike manner. In the event that the Village Specifications and/or permit conditions are not followed, the applicant agrees to assume liability for any costs incurred by the Village for corrective work required to bring the subject area into compliance with said Specifications. By applying for and accepting this permit, permit holder agrees to assume liability for any and all damages resulting from his occupancy, use or excavation of the street or premises. No work shall commence prior to approval of this permit by the Department of Public Works. The applicant shall make all permanent or temporary repairs to any/all excavations caused by the work done herein as directed by the Village. All repairs shall be done in accordance with standards and specifications in place at the time this permit is issued. The applicant further understands that if the permanent repairs are to be made by the Village in the year following the excavation, or when deemed practicable by the Village, ALL COSTS OF PERMANENT REPAIRS SHALL BE BILLED BACK TO THE APPLICANT, AND THE APPLICANT AGREES TO PAY THE SAME UPON RECEIPT OF THE INVOICE. My signature, as the applicant/permittee, acknowledges that I have read the above, understand the same and agree to be bound by the terms herein.
