KIMBERLY PARKS

Time spent immersed in our local natural spaces is time well spent. The Village of Kimberly Parks and Recreation Department is proud to offer a variety of open spaces throughout the community to serve you and your family's recreation needs year-round. From quiet spaces to reflect or view nature to active playgrounds and sports fields - we welcome you to come and enjoy the 89+ acres of public open space the village offers.

Updates for the 2026 season include a new playground to be installed near the Shelter 1/Scenic Overlook area of Sunset Park, a public driven master planning effort for Sunset Park, the grand opening of the newly renovated Sunset Beach Facility, and offering a first for our community - a facility with year-round public restroom access along the Papermaker Run Trail system. We are also proud to offer our new customer service counter at the newly constructed Municipal Services Center. Many of our products and services are available online anytime, but we are also happy to serve you in person at our new building!

The annual program guide highlights many of the programs and events we offer throughout the year, but we love adding new and exciting things as the year progresses. Pop up events and new programming are showcased on our Facebook page, be sure to follow us and stay in the know on all recreational offerings.

We continue to present Kimberly Parks with pride, and we look forward to seeing you in the parks in 2026!

The playground near Shelter 1 in Sunset Park is being replaced - spring 2026. The Parks Department is actively searching for individuals interested in donating benches, picnic tables, bike racks, trees and a drinking fountain to truly complete this updated space. Details here: <https://www.vokimberlywi.gov/departments/parks-recreation/sunset-park-playground-donation-campaign/>

NEW & EXCITING for 2026

Marcella/Kennedy Trail is now open! Enjoy your next pedal or stroll in the village with regional trail connections!

The kiddie slide at Sunset Beach has served thousands of children for the past two decades and has reached its useful life. Summer 2026, the shallow area of the beach will be getting a new slide for the next group of thousands of kids to enjoy! Come take a ride on the beach's brand new slide!

The newest public space on the Fox River is opening in Spring 2026. The NEW Cedars Historic Overlook building is a rentable space with kitchenette, available year round! The space has been converted from a remaining structure of paper making operations to a cozy event space. Features include river views, kitchenette with sink and small refrigerator, access to the plaza space, and indoor seating for 24. Is a space filled with charm from its papermaking days with modern enhancements embracing its unique architecture. The Overlook building also features a public restroom accessible from the Papermill Run Trail. Rental information is included in the "Kimberly Parks" portion of this guide. Plan your 2026 gathering on the river today!

Spring Session

– Thursdays, February 26th - June 7th. The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed to his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity. With many fun supporting roles allowing students to play objects inside the castle, this "tale as old as time" is filled with spectacular costumes and set opportunities. Parts for all ages—5-13 years old.

KidStage Summer Camp - August 24th - 28th, 1-3PM at the Sunset Park Amphitheater. KidStage Kids will be involved in acting exercises, theatre games, and will be cast in the production of PIRATES PAST NOON that will be performed at the end of the week at the last 30 minutes of camp for parents and friends! Join KidStage and all your favorite characters from the classic story of the lovable bear! Parts for all ages—5-13 years old.

enrichment & updates

New Programs from:

In partnership with Youth Enrichment League {YEL!}, the Village of Kimberly is proud to offer three new classes focused on S.T.E.M. learning in a fun environment! All classes scheduled from 1 - 4 p.m. Monday - Thursday. Pre-registration required.

{YEL!} Robotics: Scout 'Bots: 6/15 - 6/18, For students entering grades 1st-5th. Build and code space rovers to scout out Mars, the moon, and other extraterrestrial environments. Also, create a dragster and volcano alarm to learn basic computer programming while having fun! Let's go!

{YEL!} Bricktopia Master Builders Camp: 7/27 - 7/30, For students entering 1st-5th grades. Are you up for a LEGO® Brick challenge? Do you have what it takes to be a Master Builder? If so, you are in the right place. We've saved our most challenging engineering projects (a robotic dog, motorized bug, race cars and more) for this camp. Battle summer brain drain. LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

{YEL!} Extreme Engineers Club: 8/10 - 8/13, For students as youth as entering Kindergarten. LEGO® bricks are used to challenge every aspect of your child's creativity and intellect while learning the basics of engineering and physics. Each class students are given a different project to build, test and modify. Then they use these projects to investigate basic engineering concepts. Emphasis is placed on hands-on experiential activities and kid friendly lesson plans. Join this dynamic exploration of machines and mechanisms today!

Join us at Sunset Park for a hands-on workshop where nature meets art. Your child will step into the role of both carpenter and artist, transforming pre-cut wood into a beautiful, functional home for our local feathered friends. Enjoy a summer day at Shelter #1 in Sunset Park, bring home a completed project, and even enjoy the new playground in the park while you are "waiting for your paint to dry". Full program details available on our registration page: <https://kimberly.recdesk.com/Community/Program>
