President's POINT OF VIEW

How to Keep the "Jewel" Shining - A look at Sunset Park

Sunset Park has long been referred to as the "Jewel of the Community" and there is work in progress to be sure it remains that for years to come.
The village board engaged consultants to assess the conditions of the park and the park's facilities, engage the community to learn what YOU envision as the future of this community gem, and present recommendations for future improvements and uses throughout the park. The release of the consultant's work has certainly raised eyebrows and concerns from many of you as well as your elected officials. The estimated costs of proposed improvements were eye opening as was the scope of what the consultants proposed in the initial concept report. I assure you that what was proposed is certainly not a "done deal" by any stretch of the imagination. As I write, we are engaged in round two of surveying the community to get a firm grasp on your visions of what the future of the park should be. Using this information will guide the village board and staff to map a LONG-RANGE plan to make improvements and changes that will safeguard this gem for generations to come.
As I ponder what Sunset Park should be ten years from now, I am reminded of how it has changed over the past forty plus years. Consider that once there was no "upper" part of the park. Kimberly Clark gifted property to make that a reality. There was not a soccer field complex until the Army Corps of Engineers worked cooperatively to make it a reality. The Amphitheater grew as a community vision brought to life through volunteerism and community support. Consider that the "lower diamond", host of a record ten International Softball Congress (ISC) World Fastpitch Tournaments was once swamp land, and the trail around the retention pond was not an amenity 30 years ago. Yes, the park has changed. Shelter #1 was transformed from a circa 1960's building to a modern facility thanks to collaboration with Kimberly High School's Building Construction class members. The Sunset Point Scenic Overlook was a vision of the Peter and Marie Ruys family and added value to the park. Paperfest began as a small community celebration and has grown to utilize almost every inch of this beautiful active park. The ball diamonds and concession facilities were nurtured by great volunteer groups including the Kimberly Recreation Association, the Kimberly Baseball Organization, Kimberly Softball Organization, and others. As a former Kiwanian, I was engaged in keeping the trails through the woods maintained. At the time, these were the only trails through the park. Through the years the boat launch was improved, an ADA accessible fishing pier was added, and the park boasts one of the finest kayaks launches along the Fox River. Yes, the jewel of the community has been in a state of constant change to maintain its gem status. In our planning for the future, we will consider the balance of passive recreation and active recreation. The reality is there will likely never be another ISC World Tournament coming to the village, so what are the real needs for softball facilities? Recreation preferences are changing; pickleball is now popular, soccer continues to grow in participation, and more people are walking, jogging, and biking. Our plans need to reflect these preferences. The original proposal from the consultants appears – to me – to be overly focused on ball diamonds and this needs to be addressed in our planning. This planning is a necessity to generate a map that leads to keeping the park beautiful and meeting the needs of all. Our planning does not mean spending freely. In planning for a five-to-fifteen-year process, the village staff will be able to seek grant funding and implement improvements in a methodical, sensible way. We will be sharing the plans as we move forward and YOUR input is always welcome!
I wish you and yours a terrific holiday season filled with joy and love. As we work through this joyous time of year, the village staff and board will continue to work in a smart and determined manner in maintaining our village as a great place to live, learn, work and play.

– Chuck

To pay your taxes in-person or by mail:

- Please use these payment options to make tax payments on or before January 31st.
- Use our payment drop box located next to the Kimberly Library book return on the west side of the Municipal Complex
- Mail your check or deliver in person to the Kimberly Municipal Complex at 515 W. Kimberly Avenue, Kimberly, WI 54136.
- Anyone, even non-members of Capital Credit Union, are able to visit their Capital Credit Union branch located at 855 Eisenhower Drive in Kimberly to pay your taxes there.

Be Salt WIse!

Once you put salt down, it doesn't go away. It accumulates in local lakes, streams and ground water. And it only takes 1 teaspoon of salt to permanently pollute 5 gallons of water!

Smart Winter Salting Tips:

1. Shovel

Clear walkways and other areas before snow turns to ice. The more snow you remove manually, the less salt you'll use and the more effective it will be.

2. Scatter

If you use salt, scatter it so that there is space between the grains. One coffee mug of salt is enough for a 20-foot driveway or 10 sidewalk squares.

3. Switch

When pavement temperatures drop below 15 degrees, salt won't work. Switch to sand for traction or a different ice melter that works at lower temperatures.

Wisconsin Salt Wise

SNOW REMOVAL REMINDERS

• Village ordinance 430-10 states that it is unlawful to shovel, blow, or plow snow onto or across Village streets or alleys. Citations will be issued to habitual offenders.

• Salt barrels placed at specific intersections are to be used for emergency personnel use only. These salt barrels are not provided for residents for their own application. Salt for sidewalks and driveways should be purchased at local retail outlets.

• Corner lot owners are asked to keep a path open through the crosswalks, the Village crew will clear the remainder of snow as time permits.

• Anyone with a fire hydrant near his or her property is asked to help keep the snow cleared from around it. This will allow for quick response time if ever the fire department needs to access the hydrant.

• Snow must be cleared from the sidewalks within 24 hours after each snowfall. If ice builds up, it must be removed or treated with a melting agent. It is Village policy to address unshoveled sidewalks only when a complaint has been filed, with no notice given; however; Village officials do not go out looking for sidewalks that need shoveling.

SNOW REMOVAL NOTICE TO PROPERTY OWNERS IN THE VILLAGE OF KIMBERLY

Notice is hereby given to each person who owns, occupies, or controls land that fronts upon or abuts any sidewalk in the Village of Kimberly, Outagamie County, State of Wisconsin. The Village of Kimberly Code of Ordinances Ch. 430 -10, states that sidewalks are to be kept clear of all snow and ice, to a minimum of five (5) feet in width, within twenty-four (24) hours from the time the snow ceases to accumulate on said sidewalk. In the event that ice has formed on any sidewalk in such a manner that it cannot be removed, the sidewalk shall be sprinkled with material to accelerate melting or prevent slipping. Furthermore, no person shall in any way deposit any snow or ice onto any public street, alley, sidewalk, or public land dedicated to public use. No further written or verbal notice will be given to violators. Failure to comply will result in sidewalks being cleared by the Village and billed at a rate of $75.00 per hour, plus equipment usage and an Administrative Fee of $25.00. A minimum of one hour will be charged to clear sidewalks.

KIMBERLY PUBLIC LIBRARY

HOURS: **Mon-Fri - 9AM to 6PM Saturday - 9AM to 1PM Sunday Closed**

You're Invited! Friends of the Library Meeting | December 8, 2026, 1:00 p.m.
Learn about this 501(c)(3) and how you can help. Memberships start at $10 a year.

Some of the best things at Kimberly Public Library begin with a single conversation. Over the past two years, one connection made by a member of the Friends of the Kimberly Library (FOKL) has grown into two new collections for our youngest readers, and a third grant that helped both collections grow.

In 2025, with the support of FOKL President Marcia Trentlage's connection to a local chapter of the Delta Kappa Gamma Society of women educators, the library was awarded a WSO Action Grant to launch a new collection of Read & Play kits: themed bags that pair picture books with toys and learning games to encourage the development of early literacy skills through play. In 2026, a second Action Grant brought VOX audiobooks to Kimberly Library, helping emerging readers of many ages build confidence, vocabulary, and fluency through listening and reading together.

Then the story grew again. A community member heard about the new collections and invited our children's librarian, Ann, to apply for a Community Grant from the Kiwanis Club of Darboy, resulting in a third grant to support the expansion of Ann's "Read, Listen, Learn, Play Project." We are deeply grateful to the Kiwanis and DKG for their generosity and support of literacy development for Kimberly's children.

Two brand new collections that impact early literacy in our community trace back to one Friend who shared her connection. The library is grateful for the extra support received through FOKL and the people that make it possible. Friends volunteer, raise funds, and act as goodwill ambassadors for the library, connecting neighbors to resources that enrich our whole community.

KIMBERLY PUBLIC LIBRARY WINTER READING CHALLENGE - "BOOK YOUR ESCAPE"

TREATY PARK ICE RINK

It's almost that time of year again! Weather permitting, the Parks Team will begin construction on the Treaty Park Ice Rink! The rink is lighted and is roughly 60' x 100' in size. Historically, the rink has been open in January and February before warm temperatures and longer hours of daylight melt the ice. But when can I skate!? Progress updates and any closures will be posted to the village's social media on Facebook and Instagram. Not on social media? Feel free to call the parks office at 920-788-7507.

RIVER SURGE FC WINTER TRYOUTS

River Surge FC will hold winter tryouts for players interested in joining an East Central Classic team for the spring 2027 season.

POLICE DEPARTMENT

As a reminder beginning in 2026, to ensure adequate coverage as we transition police services, the Village of Kimberly contracted with Outagamie County Sheriff's Department for additional police services. The police services contract with Outagamie County is not about duplicating efforts or increasing costs – it's about maintaining the level of safety our community expects and deserves. The agreement stays fully within the Village of Kimberly's adopted police services budget and ensures we have the staffing necessary to respond effectively and keep our neighborhoods secure.

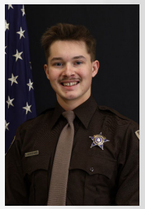

As of September 1st, 2026, deputies patrol the Village of Kimberly 24 hours a day, 7 days a week. The Village contract includes eight deputies, two sergeants/investigator and one lieutenant for dedicated service to Kimberly. Welcome to our community, Sergeant Woelfel, Sergeant Narvaez, Deputy Ludwig, Deputy Svitak, Deputy Oleson, Deputy Kapanke, Deputy Stephens, Deupty Hufschmid, Deputy Quezada, and Deputy Van Eperen!

Introducing the newest members of the Outagamie County Sheriff's Department - Kimberly Contract Team:

Deputy Tyler Stephens

My name is Tyler Stephens and, as a fellow Papermaker (from Nekoosa), I'm excited to be patrolling Kimberly. I've spent just shy of 10 years in law enforcement including eight years with the City of Eau Claire Police Department. During my time in law enforcement, I've had numerous specialty assignments including SWAT, a Field Training Officer, and Instructor. I am currently a Vehicle Contacts Instructor and am excited for what the Sheriff's Office has in store for me after moving to this side of the state. In my free time, I'm often out wrangling our two small children and two Golden Retrievers as I help them explore the world hiking, hunting, and their mission to visit every playground in the area. If you see me on the road, please feel free to waive me down, bring me any concerns, or just say "Hi."

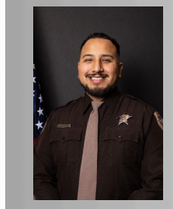

Deputy Aidan Hufschmid

I'm Deputy Hufschmid, I grew up in the Fox Valley and attended Fox Valley Technical College for Criminal Justice and the Law Enforcement Academy. In my free time I enjoy fishing. I'm looking forward to serving the community of Kimberly with P.R.I.D.E.

Sergeant Micah Woelfel

Micah Woelfel has been serving in law enforcement since 2016 and has spent the past four years as a narcotics investigator with the Lake Winnebago MEG Unit. Throughout his career, he has taken on additional responsibilities as a department instructor and Field Training Officer, focusing on training, mentorship, and professional development.
Outside of law enforcement, Micah is a husband and proud father of two. When he's not working or caring for his family, he enjoys hunting, spending time outdoors, and working on the family farm.

Sergeant Roderick Narvaez

Hello, my name is Roderick Narvaez. I was born and raised in the Fox Valley Area. I currently have a family with two kids. I've been with the Outagamie County Sheriff's Office for a little over 11 years; 3 1/2 of those years were working in the Jail. Throughout my law enforcement career, I've had the opportunity to work as a School Resource Officer, Drug Investigator, and I'm currently on our Emergency Response Team. I'm also fluent in Spanish. When I'm not working, I like hanging out with family and taking trips to the Dells or Florida.

OVERNIGHT PARKING RESTRICTIONS

Overnight Winter Parking Restrictions § 463-20 Parking prohibited during certain hours. B. All-night parking regulated. (1) When signs have been erected at or reasonably near the corporate limits of the Village of Kimberly, as provided in § 349.13, Wis. Stats., no person shall park any motor vehicle on any street in the Village of Kimberly between the hours of 2:00 a.m. and 6:00 a.m. between the dates of December 1 and April 1. Consideration can be given on limited and case-by-case basis. Any resident requesting special permission may request consideration via Kimberly's website or by scanning the QR code.
https://www.vokimberlywi.gov/overnight-parking-request-parking-citations/

UP AND coming

Registration is open for upcoming classes in Babysitting Certification held December 30th, 2026 and the spring semester of KidStage presenting "Decendants The Musical". Register online anytime!

Follow us on Facebook or Instagram for 2027 recreation program and seasonal hiring updates. Kimberly Rec Baseball registration goes live January 2nd with programs available for children ages 3 to 13!

Seasonal hiring begins in January 2027 with applications posted to the village's employment page https://www.vokimberlywi.gov/information/employment-opportunities/

FIRE DEPARTMENT

Thank you to everyone who supported the 2026 Kimberly Fire Department Open House!

A special thank you to everyone who supported, donated, volunteered, and helped make the event such a success. We truly appreciate the continued support of our community and the opportunity to spend the day with so many of you.

WINTER FIRE SAFETY TIPS

This winter season, the Kimberly Fire Department woud like to remind residents to:

- Replace carbon monoxide detectors that are more than 5 years old and smoke detectors that are more than 7 years old. Test all smoke and carbon monoxide detectors monthly.
- 'Tis the season: to schedule a furnace inspection. Scheduling a furnace inspection before the cold weather arrives helps prevent sudden breakdowns, lowers energy bills, and protects your home from safety hazards like carbon monoxide leaks.

DEPARTMENT UPDATES

- Gold Cross Ambulance provided grant funding to the Kimberly EMS for the puchase of Stop the Bleed kits.
- On September 22nd, 2026 the new Kimberly Fire Engine was delivered (#3521) and was put into service on November 9th, 2026. The new fire engine is black - new color, same great fire department service!

- Paid Training - get paid while you train. We provide the tools you need to succeed.
- Leadership - Develop leadership skills and make an impact.
- Service - Serve your neighbors. Strengthen your community. Change lives.
- Be Part of a tradition of service, pride and honor.

COMMUNITY DEVELOPMENT

KIMBERLY 2046 PROGRESS CONTINUED VILLAGE OF KIMBERLY COMPREHENSIVE PLAN

THE VILLAGE'S COMPREHENSIVE PLAN COMING SOON!

Last March, the Village kicked off an update to its comprehensive plan. A comprehensive plan is a guide for a community's physical, social, and economic growth. Meetings were held and a community survey was conducted.
Since that time, several elements of the plan have been drafted and maps have been produced.
In late October, the project consultants visited Kimberly and discussed future land uses, housing densities, and general findings with residents.
The draft plan is scheduled to be completed at the end of the year, and will be available for public review at:
www.vokimberlywi.gov/departments/community-development/comprehensive-plan/

The plan will be adopted by the Plan Commission and Village Board in early 2027.

SUNSET PARK MASTER PLAN UPDATES

Conversations continue and plan refinement is ongoing. Since the 2026 planning process kicked off, all facilities in Sunset Park were evaluated for structural integrity and code compliance, two community surveys were completed, a presentation to the Village Board of concept plans occurred, project information was made available at community events, information was shared in the Summer KimTalk and two stakeholder meetings were held.

Concept plans are being refined at this time - taking into consideration the feedback we received from the community. Updates will continue to be posted to the village's social media pages, website, and presented publicly at upcoming Plan Commission and Village Board meetings. The project page can be located here: https://www.vokimberlywi.gov/departments/parks-recreation/park-planning/
